FORWARD LOOKING STATEMENTS

This website may contain “forward-looking information”, including, but not limited to, statements regarding anticipated earnings and earnings per share, anticipated cash flow and cash flow per share, anticipated costs relating to exploration and development, and other expectations, beliefs, goals and plans of Deveron Resources Ltd. (the “Company”). Such forward-looking statements may include words such as “plans,” “intends,” “anticipates,” “should,” “estimates,” “expects,” “believes,” “indicates,” “targeting,” “suggests,” “potential” “interpretation” and similar expressions. Such forward looking statements reflect management’s beliefs at the time such statements are made and are based on information then available to management. Forward-looking statements involve significant risks and uncertainties. A number of factors could cause actual results to differ materially from the results discussed in the forward-looking statements including, but not limited to, changes in commodity prices, increases in exploration costs, operational exploration risks, the uncertainty of reserve estimates and reserve life, fluctuations in foreign currency exchange rates, environmental risks, obtaining government approvals, labour disputes and changes in general economic and political conditions. Although the forward-looking statements are based upon what management believes to be reasonable assumptions and projections, the Company cannot assure investors that actual results will be consistent with such forward-looking statements. Forward-looking statements are made as of the date of inclusion on this website, and the Company assumes no obligation to update or revise them to reflect new events or circumstances. Please refer to the Company’s annual report, management information circular, annual information form and other filings on SEDAR for further information on risks and uncertainties that could cause actual results to differ materially from forward-looking information and statements.
